MEDICAID MEMO

TO: All Treatment Foster Care Case Management,
Residential Treatment Service Providers, Intensive In-
Home Services and Managed Care Organizations
Participating in the Virginia Medical Assistance
Programs

FROM: Patrick W. Finnerty, Director
Department of Medical Assistance Services

MEMO: Special

DATE: 1/10/2007

SUBJECT: Updates and Clarification of the Prior Authorization Process for Treatment Foster
Care Case Management, Residential Treatment Services, and Intensive In-Home
Services

The purpose of this memorandum is to provide periodic updates and clarification for the prior authorization (PA) process with Virginia Medicaid's PA contractor, Keystone Peer Review Organization (KePRO). This memorandum is one in a series of updates that will assist providers in obtaining PA-related information that will expedite the review process. We understand that some providers may still be experiencing delays, however, we are seeing progress in the correct submission of PAs by providers and in the number of PAs being processed by KePRO. We appreciate the provider input and suggestions given to us which have helped facilitate a greater understanding of providers' needs. We ask for your patience and understanding during this transition as we continue to improve upon the current process.

Timely Filing Requirements

Beginning January 1, 2007, timely submission for requests will again be applied and determinations will be made based on timeliness. DMAS had extended the relaxed requirement of timely submission for PA requests through December 31, 2006. Regardless of dates of service, timeliness applies for requests received at KePRO for Outpatient Psychotherapy services that date back to May 22, 2006; and for Treatment Foster Care Case Management (TFC-CM) requests, Residential Treatment Centers (RTC) requests, and Intensive In-Home (IIH) requests received at KePRO that date back to June 19, 2006. Please refer to DMAS' Behavioral Health program manuals and regulations regarding timely submission for PA.

Helpful Submission Tips for Quickest Processing

Following are additional tips to expedite the processing of your request.

- Whenever possible and practical, please fax one case at a time. When multiple faxes are submitted at one time through the fax machine, pages sometimes are skipped and KePRO does not receive all the information needed.
- When requesting a retroactive admission review via iEXCHANGE, please be sure to enter the case request as Review Type “Retro” and not as an “Admission”.
- If you have a question or concern regarding a specific case and know the case ID number, sending an e-mail to providerissues@kepro.org is an option, as outlined below in the Resource Information Section of this memorandum. Please refrain from sending Protected Health Information (PHI) over the internet unless it is secure and encrypted.
- In addition to the total score for the scale, please provide the CAFAS/PECFAS specific item numbers for each impairment on the DMAS-364 (Intensive In-Home and Treatment Foster Care-Case Management Prior Authorization Request Form) for Treatment Foster Care-Case Management (TFC-CM) requests.
- To prevent illegible receipt of information with requests, providers are encouraged to use the editable versions of the DMAS 364 (Intensive In-Home and Treatment Foster Care-Case Management Prior Authorization Request Form) for submission of your behavioral health request. This form and instructions for use are located under “forms” on KePRO’s website <http://dmas.kepro.org> and at www.dmas.virginia.gov under PA.
- For TFC-CM, please provide specific descriptions of current problem behaviors (within the past 30-45 days) that support the moderate to severe CAFAS scores.
- For Residential Treatment Services (RTC) continued stay requests, be sure to document progress or state how a lack of progress is being addressed.
- For Intensive In-Home (IIH) services, the first 26 weeks per year do not require prior authorization. If the provider feels the individual is in need of additional weeks, they should request an extension prior to scheduling additional services. All additional weeks of service must be pre-authorized. The request to extend these visits can be made up to 4 weeks prior to the end of the 26th week.

Resource Information

- All forms are located under “forms” on KePRO’s website <http://dmas.kepro.org> or at www.dmas.virginia.gov/pr-prior_authorization.htm.
- Should you have any questions regarding the prior authorization process, please send your inquiries via e-mail to providerissues@kepro.org or PAUR06@dmas.virginia.gov. Remember do not send PHI by e-mail unless it is sent via a secure encrypted e-mail submission.

- All other Medicaid provider issues not related to prior authorization should be addressed through the Provider Helpline. The numbers are 1-800-552-8627 if you are located out-of-state or 804-786-6273 if you are located in Richmond.

Alternate Methods to Obtain PA, Eligibility and Claims Status Information

DMAS offers a web-based Internet option (ARS) to access information regarding Medicaid or FAMIS eligibility, claims status, check status, service limits, prior authorization, and pharmacy prescriber identification. The website address to use to enroll for access to this system is <http://virginia.fhsc.com>. The MediCall voice response system will provide the same information and can be accessed by calling 1-800-884-9730 or 1-800-772-9996. Both options are available at no cost to the provider. Providers may also access prior authorization information including status via iEXCHANGE at <http://dmas.kepro.org/>.

COPIES OF MANUALS

DMAS publishes electronic and printable copies of its Provider Manuals and Medicaid Memoranda on the DMAS website at www.dmas.virginia.gov. Refer to the “DMAS Content Menu” column on the left-hand side of the DMAS web page for the “Provider Services” link, which takes you to the “Manuals, Memos and Communications” link. This link opens up a page that contains all of the various communications to providers, including Provider Manuals and Medicaid Memoranda. The Internet is the most efficient means to receive and review current provider information. If you do not have access to the Internet or would like a paper copy of a manual, you can order it by contacting Commonwealth-Martin at 1-804-780-0076. A fee will be charged for the printing and mailing of the manuals and manual updates that are requested.

PROVIDER E-NEWSLETTER SIGN-UP

DMAS is pleased to inform providers about the creation of a new Provider E-Newsletter. The intent of this electronic newsletter is to inform, communicate, and share important program information with providers. Covered topics will include changes in claims processing, common problems with

billing, new programs or changes in existing programs, and other information that may directly affect providers. If you would like to receive the electronic newsletter, please sign up at: www.dmas.virginia.gov/pr-provider_newletter.asp.

Please note that the Provider E-Newsletter is not intended to take the place of Medicaid Memos, Medicaid Provider Manuals, or any other official correspondence from DMAS.
